Guidelines and FAQ's

Provisions: Please provide an adequate photo(s) related to your commissioned art. Email to marisarayart@gmail.com
Time Frame: Please allow up to 6 weeks to complete your commissioned art. If you need sooner, please request so from the artist. If your piece is larger than 16 x 20, please allow additional time to complete if necessary.
Shipping: Once your commission is completed, your artwork will be shipped USPS Priority Mail. If you would like insurance on your artwork please let the artist know in advance. Insurance on your package is an additional charge.
Payment: Payment is required up front on all commissioned work, unless special arrangements have been made with the artist. Your invoice is sent directly to your email address and will also serve as your receipt. Accepted forms of payment are cash, and all major credit cards. Upon receipt of payment, your commissioned piece will begin.
Returns: Commissions are one of a kind works. Please provide everything you think is necessary to insure success of your piece. Returns and refunds are not accepted, however, my utmost goal is that you are happy with your purchase, so let's keep the communication open!
Contact: Contact me at marisarayart@gmail.com or through my website for all questions, concerns and requests.
